

2005 DOE ANNUAL TRAINING AND TECHNICAL ASSISTANCE REPORT
CSD 524 (Rev. 4/05)
Instructions

A separate form must be completed for each type of training and technical activity conducted during the one year period as identified on this annual report.

Please include all T&TA activities except: PG&E Energy Training Center in Stockton, any CSD-sponsored training including the Annual Regional and Sub-Regional Workshops, and training received from CSD's third-party inspection and training contractor (RHA).

SECTION A – ACTIVITY TITLE

Indicate the title of the Training and Technical Activity.

SECTION B – ACTIVITY TYPE

Check the corresponding box for the type of Training and Technical Activity (T&TA) conducted (Technical, Programmatic, and Client Education).

SECTION C – ACTIVITY FOCUS

Provide the type of focus conducted for the activity type identified in Section B. Check all that apply. Similar activities may be grouped and reported as single activities.

SECTION D – DELIVERY METHOD

Check all that apply for the activity type identified in Section B.

SECTION E – TRAINING AND TECHNICAL ASSISTANCE PROVIDER

Provide the company name, address, and the name(s) of the person(s) or entity that provided the training.

SECTION F – TARGET AUDIENCE

Check all that apply for the activity type identified in Section B.

SECTION G – COMMENTS

Please include any comments that further clarify the information reported.
